EMPLOYMENT

PixelWorx, Canyon, Texas, 2002—2008

Computer Technician, Digital Photo Technician, Sales

Worked in various positions for a digital photography company specializing in action photography for equine sporting events and on-site printing. Highly fast paced Photoshop environment involving digital photography and immediate retouching and color correction, proofing, printing, and sales involving constant customer relations. Built, maintained, and repaired PC computers, and helped establish an all digital proofing environment, saving the company thousands of dollars a year by eliminating the need for hard copy proofs.

EDUCATION

Bachelors of Fine Arts in Graphic Design, 2008

West Texas A&M University, Canyon, Texas
